- April 12
- May 8
- June 12
- July 31
- Aug. 5
- Sept. 11
- Dec. 4

HealthEducation

Description

Advanced Cardiac Life Support is a course developed by the American Heart Association for the training of health care providers. It emphasizes the knowledge and skills necessary to provide appropriate early treatment for cardiopulmonary arrest. Additional areas of emphasis include the proper management of situations likely to lead to cardiac arrest and stabilization of the patient in the period following successful resuscitation. ACLS includes the use of adjunctive equipment and techniques for establishing and maintaining effective ventilation and circulation. In addition, this program reviews related pharmacology, management of acute coronary syndromes, stroke, and effective communication as a member and leader of a resuscitation team. Upon successful completion, participants are granted an ACLS provider card through the American Heart Association. Provider status is valid for two years, and a renewal course is required to remain an ACLS provider.

Objectives

Upon completion of the ACLS course the participant will be able to:

- ° Recognize and initiate early management of peri-arrest conditions that may result in cardiac arrest or complicate resuscitation outcome.
- ° Demonstrate proficiency in providing BLS care, including prioritizing chest compressions and integrating AED use.
- ° Manage cardiac arrest until return of spontaneous circulation, termination of resuscitation or transfer of care.
- ° Identify and treat ischemic chest pain and expedite the care of patients with acute coronary syndromes.
- ° Recognize other life-threatening clinical situations, such as stroke, and provide effective initial care and transfer to reduce disability and death.
- ° Demonstrate effective communication as a member or leader of a resuscitation team and recognize the impact of team dynamics on overall team performance.

Prerequisites

1. **Required: Participants must complete the Precourse Self-Assessment and achieve a score of at least 70% before taking the ACLS course.** Participants must email completion certificate prior to class to participate (or bring printed certificate of completion to class).

2. Participants must pick up and review the ACLS Provider Manual prior to class attendance.
3. Participants should have basic EKG interpretation and pharmacology knowledge. These are not taught in class.
4. Participants must demonstrate CPR/BLS proficiency to complete the class.

Americans with Disabilities Act

If you need any of the auxiliary aids or services identified in the Americans with Disabilities Act to attend this program, please contact AHAEducation@asante.org at least one week before this course.

Accreditation- Nursing continuing education

Provider approved by the California Board of Registered Nursing Provider Number CEP 17823 for 16 (Provider) or 8 (Renewal) contact hours.

For more information/Email Self-Assessment

Contact Asante Nursing Professional Development at AHAEducation@asante.org.

Agenda

Registration begins at **7:45 a.m.** Program begins promptly at **8 a.m.** and will adjourn around **5 p.m.** The two-day provider course lasts approximately 16 hours with a one-hour lunch break each day. The renewal course lasts approximately eight hours with a one-hour lunch. Lunch is not provided.

Location

Classes are held in the Smullin Health Education Center on the Asante Rogue Regional Medical Center campus, or in the Asante Outpatient Center on the Asante Three Rivers Medical Center campus. Maps available on request.

Registration deadline

Three weeks prior to course

Enrollment is limited and registration is accepted on a first-come basis. Payment must accompany registration to be accepted. Confirmation and course information are emailed to provided address upon acceptance of application. The course will be cancelled if fewer than five students enroll.

Cancellations

Cancellations must be received in writing 14 calendar days before the first date of the course for refund, less a \$50 administrative fee assessment. **No refunds will be made after the 14-day date.**

ACLS | 2024 Registration form

ALL FIELDS MUST BE COMPLETED – Incomplete forms will not be accepted.

Name _____ *Include professional designation(s) (MD, RN, EMT, etc.)* _____
 Street address _____ Home
