

PGY-1 Pharmacy Residency Program

Asante Three Rivers Medical Center

ASANTE®

Opportunities in health care

Expand your skills

The one-year Asante Rogue Regional PGY-1 Pharmacy Residency Program offers opportunities for postgraduate professional growth. In addition to the required training segments, the program allows numerous elective opportunities to complement your career goals. The program begins in late June. Benefits include paid vacation and holidays; sick leave; medical, dental and vision insurance coverage; travel to selected conferences; and dedicated office space.

The program builds on Doctor of Pharmacy, or PharmD, education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions. Those who complete the program are eligible for both board certification and postgraduate year-two, or PGY-2, pharmacy residency training.

Timeline

The application deadline is Jan. 2.

Interviews are conducted in late January through early March, and the program begins in late June.

Broaden your experience

The resident is involved in all aspects of patient care throughout the health system. Resident responsibilities include:

- Providing direct patient care to diverse populations
- Assessing, monitoring and delivering pharmacotherapy
- Developing, implementing and evaluating a research protocol
- Participating in Asante Pharmacy & Therapeutics Committee activities
- Providing continuing education to pharmacy professionals
- Participating in community service activities
- Fulfilling clinical and staff pharmacist responsibilities
- Attending national, state and regional pharmacy meetings
- Presenting a poster at a national or state meeting
- Presenting major research at a regional conference
- Serving as authors for the Asante Pharmacy & Therapeutics Bulletin

Advance your training

Residents participate in a broad range of required experiential training segments. In addition to the required training, the program allows numerous elective opportunities to complement each resident's career goals. Training opportunities include:

- Advanced cardiovascular life support certification
- Ambulatory infusion
- Cardiology
- Critical care I and II
- Formulary management
- Infectious disease
- Informatics
- Internal medicine
- Management
- Medication safety
- Oncology I and II
- Pharmacy & Therapeutics Committee
- Pediatrics/neonatal intensive care
- Pharmacy practice
- Stewardship
- Teaching certificate

Benefits

Resident benefits include:

- 23 days of earned leave (vacation, holidays and sick leave)
- Medical, dental and vision insurance
- Employee discounts and wellness benefits
- Travel to selected conferences and meetings
- Dedicated office space

Requirements

Residency applicants must:

1. Possess or be receiving a Doctor of Pharmacy degree
2. Be licensed or eligible for licensure in the state of Oregon
3. Participate in the Match
4. Submit a completed PhORCAS application that includes:
 - Individual Assessment for Residency Training form (available at www.asante.org/pharmacy-residency)
 - Three references
 - Pharmacy college transcripts
 - Letter of intent
5. Complete a formal interview

Why consider Southern Oregon?

Southern Oregon has more sunshine and warm days than anywhere else in the Pacific Northwest.

That means more opportunities for hiking, mountain biking, river rafting, fishing and golfing. Do you love winter sports? Mount Ashland, a short drive from Grants Pass, offers snowpacked fun.

After enjoying the many outdoor pleasures, you can spend an evening under the stars at the Britt Music & Arts Festival in nearby historic Jacksonville. Ashland is home to Southern Oregon University and the Oregon Shakespeare Festival, as well as pubs, clubs and culture.
